

MAZDA CX-30

MAZDA

EXQUISITE BEAUTY

As a real-life expression of creativity, the Mazda CX-30 inspires us to be bold and unique. Motivated by Mazda's evolved KODO: Soul of Motion design philosophy, the CX-30's sensuous curves have been designed to ideal proportions, to bring out an innate calmness, and to simulate an instinctive attraction to beauty. The sense of vitality created by using light as a component of an art piece is the pinnacle of Mazda design.

“Our designers, modelers, and suppliers came together to think through every way in which the structure could be manipulated to create a deeper, more metallic look while still delivering optimal performance—even going so far as to revisit the absolute basics of plating.” - Hiroaki Yokoi, Exterior Design

A CUT ABOVE THE REST

Radiating a level of sophistication beyond its class, the Mazda CX-30 is meticulously designed to offer an interior space ideal for four adults. Terracotta Leather and Black Leganu Suede seats provide a comfortable and pleasant ride even in the longest drives. The Mazda CX-30 redefines driving refinement for both driver and passenger with a genuinely sublime ride.

BOSE® PREMIUM SOUND SYSTEM

THE NEW STANDARD OF IN-CAR AUDIO

By repositioning the main speakers under the cowl, Mazda engineers were able to design a new 12-Speaker BOSE® Sound System that delivers increased dynamic bass, superior clarity, and depth. A sound so rich, it satisfies even the most discerning audiophile.

THE ESSENCE OF INTUITIVE DRIVING

The Jinba-Ittai spirit is alive in the Mazda CX-30. With its refined driving feel, you realize a safe, stress-free, and comfortable experience whenever you are behind the wheel. SKYACTIV-VEHICLE Architecture is the new Mazda-unique vehicle structure technology that makes all this possible, achieving balance and effortless driving harmony.

PLUS (GVC PLUS)
Every drive is engaging and
intuitive, thanks to GVC Plus.

INTRODUCING HYBRID TECHNOLOGY

An innovative evolution of hybrid car technology, Mazda Hybrid maximizes every bit of energy normally wasted during braking.

Instead of being unused, the kinetic energy is stored within the battery, which the integrated electric motor uses to simultaneously propel the vehicle together with the internal combustion engine. Using the stored energy eases the engine's load, thus improving fuel economy and reducing carbon emissions.

JOY WITH PEACE OF MIND

By taking a human-centric approach to vehicle design and safety, we are able to consistently provide a safe and stress-free driving environment so that you can experience Effortless Joyful Driving. Mazda i-ACTIVSENSE® is a suite of technologies that helps prevent accidents and makes sure the vehicle is fully prepared in case they do happen.

- Adaptive LED Headlamps
- Mazda Radar Cruise Control
- Lane Departure Warning
- Lane Keep Assist
- Blind Spot Monitoring
- Front & Rear Smart Brake Support
- Front & Rear Cross Traffic Alert
- Front & Rear Cross Brake Support
- Cruising & Traffic Support

5 YEARS FREE SERVICE PLAN

Worry-free ownership is the hallmark of the Mazda driving experience. We believe that ease of ownership is key to a long and lasting relationship with your Mazda.

That is why every brand-new Mazda vehicle includes FREE parts and labor for every scheduled Preventive Maintenance Service for five years, or up to 100,000km odometer distance, whichever comes first. If you happen to need assistance, you may avail of emergency towing and minor roadside repair support*, which comes with your brand-new Mazda. These unique benefits further enhance your Mazda's three-year, or 100,000km, New Vehicle Limited Warranty, Bumper-to-Bumper coverage.**

With over 19 full-service dealerships across the country ready to attend to your vehicle's needs, you can celebrate the joy and freedom of driving that only a Mazda can deliver.

Owning a Mazda is more than just driving with confidence and reassurance. A hassle-free ownership experience is the fulfillment of Mazda's promise to be your reliable partner in life's amazing journeys.
