

MAZDA CX-9

KODO: SOUL OF MOTION

Our design philosophy is simple yet highly challenging to accomplish: capture energy in motion, even at a standstill. We call this Kodo: Soul of Motion. Designed to convey a sense of strength, molded to project energy, the Mazda CX-9 is the realization of the true Japanese aesthetic.

METICULOUSLY CRAFTED

Delight in a sublime drive accentuated with minute details that enrich the premium experience. The Mauda CX-9's rich interior was carefully crafted to deliver the riding comfort you deserve. With its supple Nappa leather in diamond pattern stitching, highlighted by authentic Rosewood trim and calming ambient light, the CX-9 makes sure that every moment inside the finely crafted cabin is an event to savor.

THE HARMONY OF SILENCE AND SOUND

The sound of luxury fulfilled. Improvements in noise-damping and insulation creates a cocoon of serenity in the Mazda CX-9. While the subtle amount of sound from the outside environment and engine connects you to the road, the refined cabin will continuously shelter you from the hustle of every drive. Enrich every moment behind the wheel with a 12-speaker BOSE® Surround Sound System customized and finely tuned to soothe your soul.

YOUR 7-SEAT SANCTUARY

Combining intimacy with the freedom of space. Beyond the confines of functionality, the Mazda CX-9 creates an environment of harmony and calming comfort. Relish in the exceptional space designed to conform to your every need.

POWER IS EVERYTHING

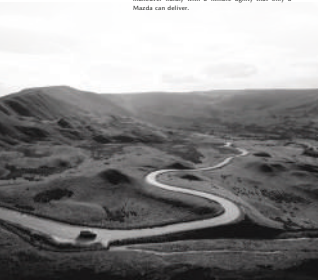

The 2.5L Skyactive-G Dynamic Pressure Turbo gasoline engine is a modern engineering marvel. Combining ultra high compression ratio and dynamic pressure turbo-charger that delivers instantaneous high low end torque and strong engine power of a larger displacement engine in a smaller more fuel efficient gasoline engine. The result is a luxurious exhilarating driving experience.

231 PS
420 Nm

ONE WITH THE ROAD

Infused with G-Vectoring Control Plus, the Mazda CX-9 rewards you with a gratifying drive every single time. Whether it is a sweeping mountain bend or a busy urban motorway, steer with confidence as you maneuver fluidly with a nimble agility that only a Mazda can deliver.

THE WORLD AT YOUR FINGERTIPS

Keeping you connected to the outside world while letting your eyes stay focused on the road ahead, the Mazda CX-9 is as intuitive as it is interactive. The MAZDA CONNECT™ infotainment system has been enhanced with smartphone mirroring integration and Wireless CarPlay.

Now also with Wireless Charging, the Mazda CX-9 makes sure your mobile phone has enough battery life throughout your drive, so you can access your maps, playlists, contacts and compatible apps via voice command. Your hectic lifestyle deserves utmost respect.

A DRIVE WITHOUT COMPROMISE

Every Mazda aspires to the same single goal: oneness between the vehicle and its driver. When you experience this seamless connection, your senses become heightened. You engage with the moment and leave all distractions behind. You feel energized. Rejuvenated.

Feeling better than when you first stepped in—during the drive—and long after.

YOUR PEACE OF MIND

The Mazda Skyactiv-Body, with its ring structure and straight frame rails are designed for enhanced passenger safety. Every Mazda CX-9 is engineered to provide superior cabin protection - a crucial element of safety that inspires a confident drive.

With its six airbags and a host of i-Activsense Safety Technology features, Mazda's flagship crossover puts your safety in very high regard.
