

THE NEW MAZDA6

INSPIRED BY THE MAZDA VISION COUPE

Taking design cues from the Mazda Vision Coupe, which was hailed as the "Most Beautiful Concept Car of the Year" at the 33rd Festival Automobile International, the new Mazda6 exudes power and distinction through real-world performance and style.

Beauty that moves you. A presence that commands respect. A drive that inspires.

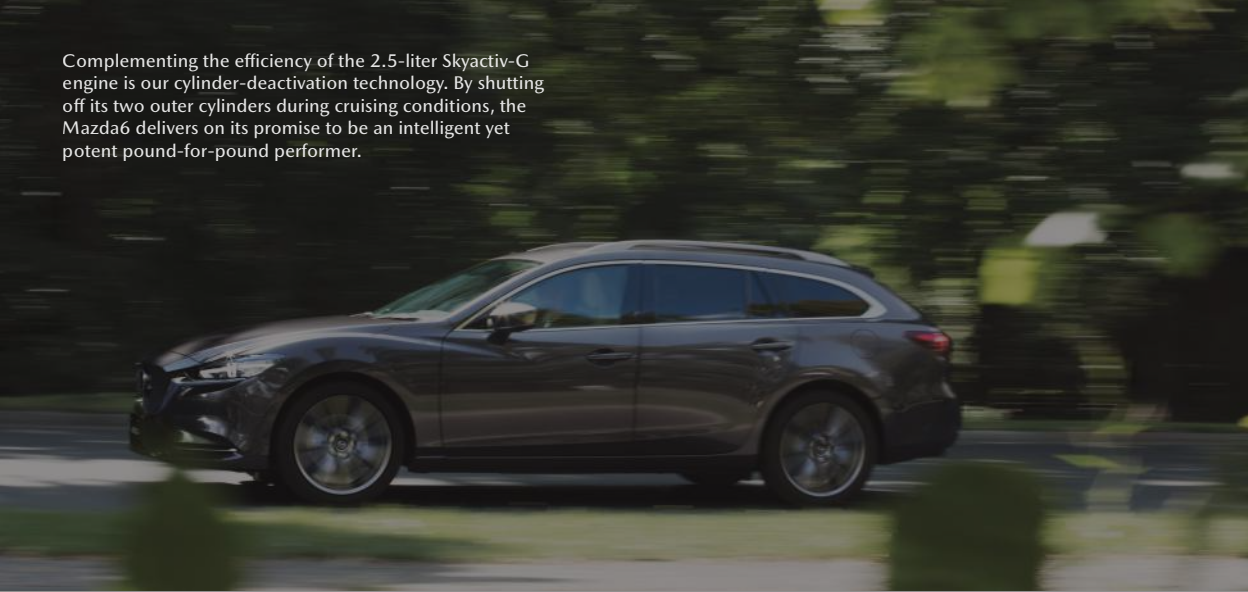

A CAR WITH NO PRETENSES

The thrill of instantaneous power at your behest intertwined with the comfort and composure of a ride so sublime. A sophisticated but honest driving machine, the Mazda6 does not compromise. It seeks perfection without any pretense. So should you.

Complementing the efficiency of the 2.5-liter Skyactiv-G engine is our cylinder-deactivation technology. By shutting off its two outer cylinders during cruising conditions, the Mazda6 delivers on its promise to be an intelligent yet potent pound-for-pound performer.

MAZDA6 20TH ANNIVERSARY EDITION

Commemorating two decades of Mazda6 is a specially crafted 20th Anniversary Edition Sports Wagon.

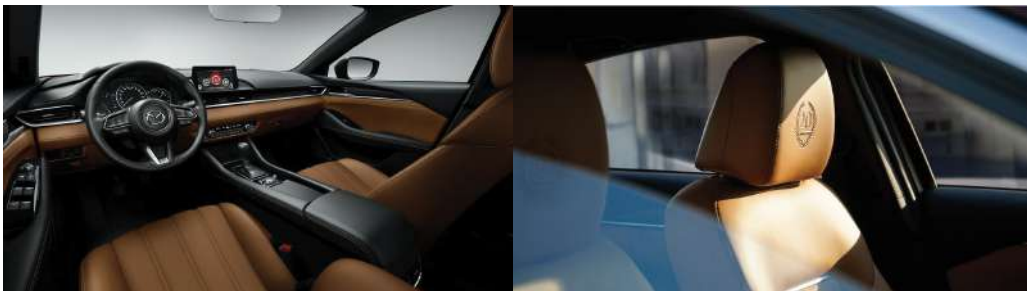

Donning the exterior are exclusive front fender badges, and a 19-inch aluminum alloy wheels and a mesh front grille finished in high-gloss silver to bridge the Mazda6 with our next-generation vehicles.

The pursuit of beauty is a life-long commitment for our craftsmen. Enhancing the emotive silhouettes of the Mazda6 is the introduction of Artisan Red. This fourth Takuminuri Color is comprised of three layers: a reflective absorptive layer with high-brightness aluminum flakes, a translucent paint layer with high-chroma pigments, and a clear topcoat. This provides an outstanding aesthetic appearance with a reduced environmental footprint. On the 10th anniversary of the birth of Soul Red, Artisan Red Premium represents the evolution of artisanal paint and the maturation of one of Mazda's most iconic colors.

PINNACLE OF THE NAMEPLATE

An opulent ambiance is achieved with the used of tan Nappa leather interior upholstery and exquisite seats to match brushed graphite interior trim. Front headrests are embossed with the 20th Anniversary logo to complement the carefully curated limited edition materials.
